

Design Our Christmas Cards!

Are you a budding artist? We are looking for a design for our 2024 Christmas cards! Your design should show "what Christmas means to me", but it's up to you how you interpret this. Let your imagination run wild!

Your design can either be hand-drawn or painted or created on a computer. Your design can be landscape or portrait in orientation – as long as it fits in the box below or is DL size. We are looking for amazing picture designs you have created yourself, so please don't include any photos or logos.

There will be 2 winners picked, and if your entry is picked your card will go out to thousands of people plus you will receive a Smiggle prize pack!

This competition is open to children 12 and under, with the consent of their parents who are Gold Coast residents. Please turn over for details on how to enter.

Entries are due by Wednesday, October 30th, 2024 The winner will be announced Wednesday, November 6th 2024.

Artist tips:

- Use bright colours (light colours might not show up well)
- Colour right to the edge of the box, but try to keep your artwork away from the edges

Childs name: _____ Childs age: _____

I declare that my Christmas Card Competition entry is my child's own work. I give permission for LJ Hooker Solutions Gold Coast to reproduce my entry as a Christmas card. I agree for my child's first name and age to be printed alongside their design on the Christmas card.

Parent/Guardians name: _____

Parent/Guardians signature: _____

Contact number: _____

Entries are due by Wednesday, October 30th, 2024. The winner will be announced Wednesday, November 6th 2024.
