

TWIN WATERS

Applying for Property 'Sight Unseen'

Attention _____

In respect to my application for _____, I make this application on behalf of myself and _____.

I advise that I have not viewed inside the property. I acknowledge that despite L J Hooker – Twin Waters advice that I should view inside the premises, I have decided to waive this right and go ahead with the application without viewing the property.

I have been informed and understand that should I sign a lease and pay rent and bond, my lease will stand as is, and I revoke my right to withdraw from the lease under these grounds.

Kind Regards,
